

UL 13

STANDARD FOR SAFETY

Power-Limited Circuit Cables

OCTOBER 13, 2021 - UL13 tr1

UL Standard for Safety for Power-Limited Circuit Cables, UL 13

Fourth Edition, Dated March 18, 2015

SUMMARY OF TOPICS

This revision of ANSI/UL 13 dated October 13, 2021 includes changes in the following requirements:

- Carbon-Arc Exposure; 29.1
- Laser Marking on Cable Surface; 47.2

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin.

The revised requirements are substantially in accordance with Proposal(s) on this subject dated September 3, 2021.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

UL 13

Standard for Power-Limited Circuit Cables

First Edition – November, 1990 Second Edition – February, 1996 Third Edition – July, 2007

Fourth Edition

March 18, 2015

This ANSI/UL Standard for Safety consists of the Fourth Edition including revisions through October 13, 2021.

The most recent designation of ANSI/UL 13 as an American National Standard (ANSI) occurred on October 13, 2021. ANSI approval for a standard does not include the Cover Page, Transmittal Pages, and Title Page.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at https://csds.ul.com.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.
